Energy Notes

*No Early Downturn Seen in Oil Prices*

[REDACTED]

**Aramco To Increase Output**

Aramco, which produces almost all of Saudi Arabia's oil,

[REDACTED]

**Developing Nations Hurt**

[REDACTED]

So far, the Arabs have done little more than promise the Africans a \$125-million aid fund. The Arabs apparently do not wish even to discuss a two-price system favoring the developing countries.
